#### How your money helps

We are an independent organisation manned by a dedicated team of volunteers and funded just about entirely from public donations. We provide specialist support for H.M. Coastguard, Mountain Rescue Teams and other Emergency Services on and around the 'unique' Morecambe Bay area.

We have been established for over 8 years and have been involved with every major search and rescue event in and around the Bay in that time. We operate some very specialised equipment which allows us to provide this lifesaving service and your money will go directly towards the upkeep and development of this unique charity.
